WELCOME TO PRE-K

Children develop at different rates. Some learn particular skills earlier and some later. The goal is not to speed up development, but to insure that each child has the best possible opportunities to learn and grow at each level of development. Learning can be fun!! What we think of as learning tools, the child thinks of as toys!!

DURING THE SUMMER

1. Read to your child and play with your child every day.
2. Practice dressing and undressing.
3. Practice coloring. (Hold crayons properly.)
4. Practice using scissors and glue.
5. When printing name, first letter capital and the rest lowercase.
6. Teach how to put toys away.
7. Teach how to hang up jackets, sweater, etc.
8. Label all items of clothing.

FOR SEPTEMBER

1. Please make sure your child can take care of his/her toilet needs independently.
2. Can put on and take off a coat, jacket or sweater.
3. School bag. Tote bag style (canvas or plastic) or backpack style (no wheels.). Large enough to fit a folder.
